

FASHION FORWARD

Intro:

a quick lineup/ teaser of the items that will be shown in this episode.

3x Fashion News:

The latest news from the fashion industry. Who's the new face of Dior/Chanel/Lancome? Which designer has launched an outrageous collection or which model has recently signed a big contract?

Top 5:

This item may vary each episode. This could focus on five all time classics, like the red lip, the little black dress, the pencil skirt, the trench coat or nude pumps. But we could also give you 5 tips on what to wear when it's cold outside, what to wear to a fashion show or what to wear in summer.

Intermezzo:

a quick teaser of the items that will be shown later in the episode.

It-Girl:

Each episode features an in-depth profile focussing on one of the hottest fashionistas of the moment.

Special:

This item may vary each episode. This could be a fashion week report. A one on one with a dressmaker, jewelry designer or hatter. Or a close-up look at one of the biggest fashion trends of the moment.

Social Media Roundup:

What's happening online? We get to know what the most influential people in fashion are up to on social media.

Intermezzo:

a quick teaser of the items that will be shown later in the episode.

- BREAK -

Hits & Misses:

When it comes to fashion, we all have our good days and our bad days. Even when you're a famous actor, pop star or model, you can't always get it right. In the hits & misses of the week we find out which well known ladies and gentlemen rocked an outfit we loved that week or one that has been badly criticized.

Lifestyle special:

The fashion industry is not just about clothing these days. It's also important to eat right, work out and stay in shape. We focus on the latest lifestyle trends amongst models, designers, it-men and it-girls.

Intermezzo:

a quick teaser of the items that will be shown later in the episode.

Through The Years:

In Through The Years we zoom in on a certain fashionista who has been around for ages and take a look at her trademarks and style evolution.

Beauty Special:

We talk to experts to discover the latest trends in the world of skincare, hair and makeup.

Outtro:

Next week, another episode of the ultimate guide to the hottest trends in fashion, beauty and lifestyle.
