Celebrity News

A round up of all the celebrity news you might have missed out on.

Movie Report

A fast report on the biggest movie of the week, with exclusive interviews with the cast, film clips and behind the scenes footage.

Music Videos of the Week

A quick overview of all the cool new music tracks that have just been released. We only look at the biggest artists out there.

Social media Update

What happened on social media? Well... a lot. Every week we make sure you're totally up-to-date with everything famous people have been posting.

Movie Premiere

We report from a glamorous red carpet event every week. Sometimes it's film festivals and sometimes it's big movie premieres, but we're there interviewing the stars.

Break

Social Media Profile

In depth profiles of the stars that are most fun to follow online. Get an insight in the daily lives of your favorite celebs through social media.

Music Report

We catch up with some of the biggest musicians out there and ask them all about their new albums, tours and personal lives.

Trailers of the Week

So many new movies and TV series arrive all the time. We make sure you're totally up-to-date as we quickly go through all the latest trailers.

Movie News

We've got all the latest Hollywood news. Which actors have just been cast and what projects have been given the green light? We make sure you'll get to know it all.

Fashion Update

And last but not least we present the latest fashion. We interview the hottest designers and report from the fanciest catwalks. What will be the latest trends? You're the first one to know.
